

SQUID Squid Slicing And Cutting Machine

RCF-002

- This device is characterized by its ability to slice various products such as strips, dices, rings, and blocks. Cutting sizes of 0.5mm and above can be customized. Cutting sizes can be adjusted in multiples.
- This device is made of stainless steel, making it durable. Its working width is wider than similar products, allowing for simultaneous operation by two people.
- Suitable products: squid, fish fillets, meat, and other thawed or semi-thawed products.
