

Bin

No matter what kinds of meat, poultry or fish by-products you process, you will always need simple, rugged bins for moving, parking and storing everything from raw material and other inputs to your finished output.

Sensitar product program for rendering comprises various types of bins. The size and design of the bins will depend on the amount of material, on the process in the subsequent plant, and on the kind of material to be handled.

We supply all kinds of bins, from small charging/ dosing bins (2-51m³) to large storage bins of approximately 150-200m³
